

CARE HOME CHEF

ABOUT US

H1 Group is a leading provider of healthcare and learning solutions. Our businesses include H1 Healthcare, one of the UK's leading nursing agencies; Homecare Scotland which provides in-home care services; H1 Learning which provides training and youth employability services across the UK; and Qintil, a learning technology platform for people working in healthcare, their employers and training providers. We are enjoying a period of sustained growth and are looking forward to significant expansion over the next few years. To help drive this growth we are appointing Chefs to provide the highest quality and nutritious food for H1 Healthcare clients in various locations throughout the UK and Ireland.

KEY FUNCTIONS

- Commitment to providing high quality, nutritious food
- Prepare and cook meals and snacks following pre-set menus in accordance with Health & Safety Regulations to ensure meals are nutritious, appetising and meet dietary needs

ABOUT THE PERSON

- You must have six months UK experience within the last 2 years of working in care home kitchens
- An ability to communicate effectively with those you are catering for as well as within a team setting
- Having a driving license and being a car owner advantageous but not essential

The Job description above outlines the duties which may be expected of the role but is by no means exhaustive.
